

# EASTER FOR EVERYONE!

.....

A simple thing for many families, but for others an impossible task. Year round, Giving People receives many cries for help from families with children who live in poverty and social exclusion all around Sweden. Families are suffering from unemployment and loss of income in the wake of the pandemic. Children suffer the most when the money doesn't stretch far enough.

## Do you want to join and help?

### This is how it works:

1. Take a note. 
2. Use Swish to send the amount on your note to 123 137 65 24.
3. Keep the note and give it away at Easter or hang it on your own Easter tree.

The aid organisation Giving People works to prevent and counteract financial vulnerability and child poverty in Sweden. The organisation wants to reduce social gaps, create a debate about child poverty and influence governing politicians. Giving People deliver emergency help in the form of food and other necessities to families with children throughout Sweden, with the help of donors in the organisation's network.
